At Prime Cut Siding and Decking

We do not cut any corners. We are not the least expensive siding company around but we do provide the best product for the best price. Starting with the installation of our vapor barrier to the last coat of paint we provide the absolute finest product for the best price!! Our quality is remarkable and our service is unbeatable. Yes, there are more expensive companies in town but none of them can match our service, quality or price. Want to pay more for the quality we provide? Call us and we will be happy to provide you with the names of our more expensive competitors. EIFS issues and working with an attorney on a large EIFS case? Great!! We suggest using our more expensive competitor's bids for settling the case then getting smart and calling us to do the work You will save from 15% to 40%. You will be money ahead!!!!
